

Date	JGOFS MILESTONES	Place	Country
1983-1984	Ad hoc Group Meetings on Ocean Flux Experiments (National Academy of Sciences)	Washington DC	USA
September 1984	US Global Ocean Flux Study (GOFS) Workshop: US NAS Ocean Science Board	Woods Hole	USA
February 1987	1st International Scientific Planning & Coordination SCOR Meeting for JGOFS	ICSU, Paris	France
February 1987	SCOR approves JGOFS as a Large Scale Ocean Project	ICSU, Paris	France
September 1987	JGOFS North Atlantic Planning Workshop	Paris	France
February 1989	IGBP approves JGOFS as an Core Project: SCOR/IGBP Agreement		
1988-1990	Long-term time-series stations established near Bermuda, Hawaii, and in the Ligurian Sea	Atlantic / Pacific / Mediterranean	
1989-1991	North Atlantic Bloom Experiment (NABE) or Pilot Study began	N. Atlantic Ocean	
September 1989	JGOFS (Equatorial) Pacific Planning Workshop	Honolulu	USA
March 1990	North Atlantic Bloom Experiment (NABE) Data Workshop	Kiel	Germany
April 1990	International Workshop on Equatorial Pacific Process Studies	Tokyo	Japan
June 1990	JGOFS Southern Ocean Workshop	Brest	France
August 1990	JGOFS International Science Plan Published: SCOR	Halifax, N.S.	Canada
November 1990	First JGOFS International Scientific Symposium (NABE)	Washington	USA
December 1990	JGOFS Southern Ocean Planning Group Meeting	Cambridge	UK
1990	Global Ocean CO2 Survey initial planning: WOCE Hydrographic Programme	Global Ocean	
January 1991	Initial Indian Ocean Planning Meeting	Goa	India
January 1994	Protocols for the JGOFS Core Measurements: UNESCO-IOC		
October 1994	Continental Margins Task Team published Science Plan		
1991-1994	Equatorial Pacific Process Study began	Tropical Pacific Oc.	
September 1992	JGOFS Implementation Plan published: IGBP/SCOR	Stockholm	Sweden
1992-1998	Southern Ocean Process Study began	Southern Ocean	
1994-1995	Indian Ocean (Arabian Sea) Process Study began	Arabian Sea	
May 1995	First JGOFS Science Conference: A midterm review	Villefranche-sur-Mer	France
April 1996	JGOFS SSC restructured	Bad Münstereifel	Germany
August 1997	NASA SeaWiFS Launched		
June 1998	North Pacific Process Study began	W. North Pacific	Japan
April 1998	JGOFS Planning Groups restructured for Regional Synthesis and Modelling	Cape Town	South Africa
October 1998	First workshop of JGOFS SSC Synthesis	Southampton	UK
2000	JGOFS Global Synthesis and Modelling Working Group approved		
March 2000	Book: Changing ocean carbon cycle: midterm synthesis of the JGOFS	Synthesis	UK
April 2000	Second JGOFS Open Science Conference: A new vision	Bergen	Norway
January 2001	IGBP Science Series No. 2: Ocean Biogeochemistry and Global Change (Synthesis,	Synthesis (general)	Sweden

	general)		
Date	JGOFS MILESTONES	Place	Country
April 2003	Book: Ocean Biogeochemistry: the role of the ocean carbon cycle in Global Change		Germany
April 2003	JGOFS International Collection, Volume 1: Discrete datasets		Norway
May 2003	Publication of the JGOFS international data collection DVD Vol.1 “discrete datasets”	Washington, DC	USA
May 2003	Final JGOFS Open Science Conference: A Sea of Change	Washington, DC	USA
December 2003	Publication of the JGOFS CD-ROM including the International JGOFS website	Bergen	Norway
2004	Book: Carbon and nutrient fluxes in continental margins: a global synthesis		China-Taipei
2004	Special Issue: Arabian Sea Biogeochemistry: regional processes in the global carbon cycle		USA
2004 (expected)	JGOFS International Collection, Volume 2: Integrated datasets		
	Scientific Steering Committee and Meetings		
25-28 January 1988	1st JGOFS SSC: Planned the International Science Plan	Miami	USA
13-15 September 1988	2nd JGOFS SSC: Coordinated the North Atlantic Pilot Study (Process Study)	The Hague	Netherlands
12-14 September 1989	3rd JGOFS SSC: Approved the International Science Plan	Honolulu	USA
20-22 March 1990	4th JGOFS SSC: Organised Planning Groups and Task Teams	Kiel	Germany
29-30 November 1990	5th JGOFS SSC: Outlined JGOFS Implementation Plan	Washington	USA
30 Sept. - 3 October 1991	6th JGOFS SSC: Approved JGOFS Core Measurements and Protocols	Bermuda	USA
20-22 October 1992	7th JGOFS SSC: Coordinated Regional Process Studies	Taipei	China-Taipei
9-11 September 1993	8th JGOFS SSC: Coordinated Regional Process Studies	Carqueiranne	France
12-14 October 1994	9th JGOFS SSC: Coordinated Regional Process Studies	Victoria	Canada
12-13 May 1995	10th JGOFS SSC: Coordinated Regional Process Studies & 1st International Symposium	Villefranche-sur-Mer	France
18-22 April 1996	11th JGOFS SSC: Coordinated Regional Process Studies	Bad Münstereifel	Germany
17-19 May 1997	12th JGOFS SSC: Coordinated Regional Process Studies	Oban	Scotland
25-28 April 1998	13th JGOFS SSC: Restructured the Planning Groups for Synthesis and Modelling	Cape Town	South Africa
7 and 13 May 1999	14th JGOFS SSC: Synthesised JGOFS Achievements	Yokohama	Japan
11-12 April 2000	15th JGOFS SSC: Approved the Global Synthesis and Modelling Working Group	Bergen	Norway
7-8 July 2001	16th JGOFS SSC: Coordinated Regional and Global Syntheses and Modelling	Amsterdam	Netherlands
23-25 September 2002	17th JGOFS SSC: Planned the Final JGOFS Open Science Conference	Concepción	Chile
4 May 2003	18th JGOFS SSC: JGOFS Era officially closed	Washington DC	USA
